## General Meeting Minutes ~ August 2, 2022

Meeting called to order by President Candy Roper at 7:05 p.m.

Motion Carolyn Goepner, second Nancy Hurwitz, to approve the June minutes as printed in the June newsletter. Motion passed unanimously.

**Secretary reports:** None

### Treasurer report:

Lexine Thompson reported the beginning balance was \$32,909.92 with income of \$521.16 for trophy donation, match entries, and dues, with expenses of \$1,699.66 for match expenses, Fuji Park rental for match, donation to Meals on Wheels, donation to Paws Up for Veterans, post office box annual fee, taxes, telephone, trophies, and website, for an ending balance of \$31,731.42. This report covers May and June 2022.

Lexine reported match income was \$405.00 with expenses of \$274.49 for ribbons, judges' gifts, supplies and dog biscuits for net income of \$130.51. Candy asked if that included the \$110.00 for Fuji Park rental. It did not, so the net income is \$20.51.

Candy reported that Terri Dickerson told her there were 30 entries at the match on July 9. Best in Match Adult was a Brittany, and Best Puppy was a Chow. Not many stayed for the BBQ, but the few there enjoyed the food and talk.

### Committees

#### Show Committee:

Candy said the premium is up on InfoDog and on our website as well. One of the specialty clubs sent her the wrong trophy list so she is waiting for the correct list.

The Parks Department is ready to do the walk-through for the show. Candy will schedule as soon as they contact her, hopefully within the next week.

Candy contacted the janitorial company. After we used this janitorial service, the Parks Department hired them to do the bathrooms Monday, Wednesday, and Friday, so we may not have to pay them for Friday. They will get Candy a quote for the show weekend. She also contacted ROTC and is waiting for a response from them. Candy is wondering when we meet with the Parks Department if they may supply electrical this year, but it is doubtful.

We will also need to rent a golf cart for grounds at the show. Lexine will check with the Director at the Train Museum to see if we may be able to borrow theirs. Dennis Johnson has been able to let us use one occasionally. The lady Candy knows who was at Silver Oaks has retired, so we don't have a connection there anymore.

We need to figure out what signs we need to have made. We will need one for unloading area that vehicles must be left running with flashers on and unattended vehicles will be towed at owner's expense. We will need 3-4 signs stating not to block sidewalk with vehicles or equipment. We need one for the gate for the parking lot because last year the ROTC were harassed by some exhibitors. It needs to say reserved parking Saturday and Sunday is for judges and workers only. We also need a couple signs for inside the building stating no dogs or equipment can be left in the building overnight or they will be removed by the show committee. The company we used for the banner and the Lockett show went out of business in July. Candy found a place online that we can get two of each and four for the sidewalk signs for \$102.00 plus shipping with no setup fee and will be corrugated plastic. That doesn't include signs for along the edge of the grass but there are metal real estate type signs available. She will need to find out the cost on those. Carolyn Goepner mentioned about Bonanza Kennel Club using stakes yet not allowing stakes for canopies for the exhibitors. Thea Tsurumoto said they use stakes for their agility trials all the time without issue. We will revisit the stakes issue with Parks when we meet for the walk-through. The club has a couple A-Frames. There was discussion on how signs can be secured. Candy will check with local printers to see if they can do the signs so we can support locals. Elaine Oxborrow said maybe a local printer would include frames.

If we are doing gift bags for judges, we need to order more bags. They were \$14.00 last year but the company said we will need to send in a request for a quote. They may have increased in cost, but if we order more to cover next year it would be more cost effective. There is a \$20.00 set-up fee for the screen print. The judges enjoyed the bags last year with the various items. Motion Marion Panter, second Elaine Oxborrow to order more tote bags and check to see if we can get a discount if we order for next year as well. Motion passed unanimously.

We are having a problem getting silver dollars for the BIS trophy. The club will need to look at other options for BIS trophies in the future. Carolyn asked if there were any other types of dollar coins. It is something we will need to worry about for next year. Elaine said maybe we can start collecting now for next year.

The Pacific Belgian Malinois Club is set to do a scent n go on Friday, September 30<sup>th</sup>. They are giving Bonanza Kennel Club 10% of the profits with a minimum of \$150.00. It is open to all breeds. The information is on our website.

Candy was talking with Cindy Smullen about the shows. They started talking about what we can do to use the arena since it

## Bonanza Kennel Club General Meeting Minutes ~ August 2, 2022

*continued*

is never used. Erna from Truckee Meadows Dog Training Club is interested in doing ACT I and ACT II jumpers on Saturday. It is an introduction to agility. They need about 90 X 50 feet. They will start around noonish on Saturday. They want to offer two rounds each of Level I and Level II because you can earn a title with two qualifying scores. Thea said you cannot have a novice agility title already. Erna does not need to have approval from AKC. Motion Marion Panter, second Cindra Smith, to invite Erna to do ACT I and ACT II Jumpers in the arena on Saturday. Motion passed unanimously. Erna will charge \$15.00 for pre-entry and \$20.00 for day of entry. AKC gets \$5.00 per entry. Truckee Meadows will split the income with us. They need to buy ribbons and new title rosettes that will say Truckee Meadows on them, however, if we do it again next year, we can add our name. Erna says when she does ACT at the club-house, she usually has around 40 entries. When she does it before an agility trial she gets 60ish entries. Candy asked what does Bonanza Kennel Club want from Truckee Meadows for providing the grounds for doing this? With the Malinois we are getting 10%. Erna mentioned \$5.00 for Truckee Meadows, \$5.00 for Bonanza and \$5.00 for AKC. For day of entries Truckee Meadows would get the extra \$5.00. We can try it this year and with the arena not being used, it will help pay for that. Carolyn said they need to understand we are short of help, so we won't be able to help very much. Thea says set-up is time is minimal. It is a play thing but a title for your dog. Carolyn asked what size the arena is. Candy isaid she will ask. It was agreed that we need to ask for \$5.00 per entry.

Elaine mentioned that Dennis Johnson is retiring from MB-F this year. She is not sure if Marti Johnson is retiring as well. Candy said it would be nice to give him a card as well as something in the catalog for his years of service. Maybe we should get a cake again this year and get it for him but share with the exhibitors. Carolyn suggested getting him a money clip with a real silver dollar. Lexine and Candy will look for something.

Bob Kinney will get a lock and chain for the gate on the roadside, however, Elaine said they won't allow locking it but we could put it on the gate but not actually lock it.

Elaine will talk to the pipe & drape people as well as the electrical.

We still need a telescoping pole for the speakers. Candy looked at Amazon and they are under \$100.00 but she's not sure how it needs to be connected. The speakers are heavy so the pole needs to be sturdy. Mo Shannon's brother is a musician and she can ask him what we may need. it would help if we can get her the weight of the speakers. Ann Kinney may have a pole that will work.

Elaine has the pooper scooper lined up for the show.

Elaine would like to have a budget for breakfast snacks for exhibitors. We can go to Costco for snacks for maybe \$150.00 per day. Elaine will be in charge of getting the snacks. Motion by Ann Kinney, second by Marion Panter to get breakfast snacks for \$150.00 per day that can be set-up at the gazebo. Motion passed unanimously.

Elaine also would eventually like to have a banner welcoming people to the show and having it where it can be seen on the road. Candy will ask when she finds out about the signs.

Vikki Jaramillo said at the board meeting it was mentioned getting boxes for some of the trophies. She found a roll of labels that says thank you. Vikki and Yvonne can put them on the boxes and cellophane. The cost is maybe \$20.00 for a roll of 1200.

Ann mentioned her mother showed recently and the video was on Facebook. Maybe at our show we could notify media to come to the show and do a story of her. Cindra mentioned a newscaster that does a show on seniors. Maybe that would be a good contact.

Candy said she is working on getting someone to present BIS on Saturday.

Candy will have AKC help do PR for us. Elaine asked about AKC TV, but our show is too small.

**New Members:** None

**Unfinished Business:**

Marion said she has a business card for Joe Black and maybe we could do a 45 second message on the radio. Candy will look into it.

**New Business:** None.

Vikki, Mo, and Lexine thanked Bonanza for the condolence cards they received.

Ann has two rescues to place if anyone knows someone looking.

Motion to adjourn by Elaine Oxborrow at 8:09 p.m.

Respectfully submitted by Lexine Thompson

## The Ten Commandments of Dog Ownership

1. My life is likely to last 10-15 years. Any separation from you will be very hard and painful for me. Remember that before you adopt me.
2. Give me time to understand what you want from me. Please be patient with me.
3. Place your trust in me. It is crucial for my well being.
4. Do not be angry with me for long, and do not lock me up as punishment. You have your work, your friends and your entertainment. I only have you!
5. Talk to me, even if I do not understand your words, I understand your voice when it is speaking to me. You only have to look at my tail!
6. Be aware that however you treat me, I will never forget it!
7. Before you hit me, remember that I have teeth that could crush the bones in your hand, but I choose not to bite you. (DON'T HIT YOUR DOG!)
8. Before you scold me for being lazy or uncooperative, ask yourself if something might be bothering me. Perhaps I am in pain or sick, or my heart might be getting weak and I cannot tell you.
9. Take care of me when I get old, you too will grow old someday.
10. Go with me on difficult journeys. Never say, "I can't bear to watch it" or, "let it happen in my absence." Everything is easier for me if you are there.

\*\* And always remember, I Love You!
